

Vaudeville

Welcome Vaudeville Central friend
Watch the blood on the stairs,
That's better.

Tonight's show is audience participation
We call it "Life".

We've got all of your favorites together
War, Death and Murder will be starring tonight,
Joy and Love will be making an appearance
Along with Sorrow and Jealousy.

Much of the show has been designed
Purely for your entertainment,
It might be thought long by some
But we think your participation will
Make the time fly by.

Ahh, here's your seat,
Throw that old thing out of the way.
There, are you comfortable,
Would you like anything before we get started?
No. Well curtain is soon,
We hope you enjoy our program,

Especially because you cannot leave
Until the show is over.
